I'm looking forward to seeing the guys that I worked with in the missile house like Willie and Curtice. God willing, see you all Oct. 5th.</p>

One of these photos was received from Galveston shipmate Bob Rank BM2, the other was received from Little Rock shipmate Bob Forester BT2 64-68.</p> <p>The photos show what I believe was the same event, except as viewed from opposite directions. It is my feeling that this event took place in 1967 when both the Little Rock and Galveston were in the Med at the same time.</p> <p>Does anyone have any specifics regarding this event such as: Who, What, Where, When,</p>

	<p>and Why? Let us know what you know!</p> <p>You can submit your input via the Little Rock's Message Board, by replying here, or by e-mailing me directly.</p> <p>"Thanks" in advance for your input.</p> <p>Art Tilley  GS-3 USS Galveston 1961-1962  MT-2 USS Little Rock 1962-1963USS Galveston Association Historian</p>
<p><b>74)</b> </p> <p><b>Bob Rank</b>  Bob@USSGalveston.org  Rating/Rank &amp; Years aboard the Gal:  BM2 66-68</p>	<p>Monday, August 6, 2007 22:57 Host: cpe-76-87-203-158.socal.res.rr.com  </p> <p> Mike Michalski wanted to know if anyone was looking forward to this year's reunion. I sure am! I even went out to the garage last weekend to try on the old uniforms. I had a little trouble with the pull-over jerseys, but the button down shirts fit great. (mouse click on picture to enlarge but caution ---it's not pretty). Anyway the wife had a good laugh.</p> <p>I, along with Keith Hedley and Soupy, have been involved with creating this new website over the past ten months. I know we've accomplished a lot and that there's still more we want to do. We'll be discussing some of the proposed improvements at the reunion, but would request that any of the attendees give some thought to what they feel would make the website better. And if you can't make the reunion you can always make a posting in this log or send an email from the contact-us page.</p> <p>Bob</p> <hr/> <p>Soupy Campbell:  Loooking Gooooood Bob ha ha. See you in KY.</p>

I would bet that someone has something squirreled away in the attic that was filmed by a family member "way back when...". Put the PO2 on in Hong Kong 1/69. Have to dig out all the pics I made while on the Gal. Have lots, especially at sea during "UNREPs" and other ops. Worked the "birds" most of the time; other times just pissed off the Chief! Remember such things as the night in 65 the mess deck overhead leaked. 'Cause the springler system in the missile mag went off. Great site guys. More later. AL</p>
