For those of you who can't attend, it is my understanding that Keith will be videoing the event and posting it here. There will be the ceremony, the luncheon after, and then everyone is invited to gather at the Channel Inn to get reacquainted. There is a bus called the circulator that will take you from the memorial to the Inn for \$1.00/\$.50 for seniors. We have a great lineup of speakers for the event so it should be quite spectacular and I for one am really looking forward to it.</p>

He found the current pay scale for the military from a boot E-1 to Admiral/General and put it in his article. I was curious to see how his \$97 monthly pay in 1966 compares to today. Using an inflation calculator, Bob's '66 salary is equal to \$637 in 2009. That's less than half of what a recruit gets today.</p>

The family of shipmate Jack Boudreaux did a great job of converting his old 8mm film to video and sending it to us to share. We are not sure which WestPac cruise the various shots are from. Maybe someone will recognize something to identify the year or cruise. Thanks to the Boudreaux family... and to Bob Rank for editing, adding music and sound effects and posting the result for all of us to enjoy.</p> <p>A quick question about another video. Does anyone who was at the San Diego reunion know who was showing the video of his WestPac experiences? We would love to get a copy of that and add it to our video pages.</p>

The email said I could ask questions about what happens to the shipmates money. I would rather just see a real financial statement at the next meeting. Every year at the meeting I hear that we don't want to spend time listening to alot of numbers and I agree. That does not mean we don't care though. The websites got some information but it's not a statement. A statement should say we started the year with this much and we got this much from here and here and we spent this much here and there and this is how much we have at the end of the year. No offense to all you who makes this such a good organisation but it is just good business to share all the info. Maybe the financial statement could be put in the before the hospitality room before the big meeting.</p>

Hi, I'm a Plank Owner and left the Gal in 61, for ICB school. I'd like to hear from anyone in E Div who was on board back then. I checked the Roster and found 4 names, but I must admit; I've forgotten a lot of names.
