I was there to offer our sympathies and to extend the condolences of the USS Galveston Shipmates Association to the Admiral's family and his staff. He was a true legend and loved by all who knew him. While there I got to meet his wife, Anna Mae, and his executive assistant Deborah Geanuleas, both very fine ladies. We added the last 260+ names from the old list to the 'dynamic' shipmate profile system. There are now 725 shipmates listed and searchable by any criteria you want to use. Interested in finding crew from 1965 or 1959? Or all BT's that we know of? Of course you can also search simply by first or last name. You will get the most complete listing of Galveston people available anywhere on the web. Bob and I will continue to add and update names and information as we come across them. If you know of a shipmate that can't access our web site (e.g., one of my division buddies had a stroke years ago and can't use a PC), go ahead and sign him up yourself.</p>

Today, 180 shipmates from the deceased shipmate roster were added. The data available on most of those shipmates (like years served aboard the Gal) is limited. So if you see someone that you have more info on, send it to me for an update.</p> <p>We'll soon be adding a few hundred more records of shipmates compiled before November 2007 that have never registered a Shipmates Profile.</p>

We served together in B division till he transferred to navigation div. Harry is retired from the postal service and has become quite an artist in his retirement days. He has not lost his ability to talk endlessly and I had problems getting off the phone !! It was nice sharing old sea stories with you again Harry ! Harry will be at the next reunion , but I will miss it again ! Hope to be at the 2010 reunion and catch up with Harry and all the Gal shipmates...</p>
