<p>486)   Website Admin Admin@USSGalveston.org Rating/Rank & Years aboard the Gal: -</p>	<p>□ Tuesday, September 6, 2011 19:22 Host: pool-173-60-122-29.isanca.fios.verizon.net    Reposted from an email sent to the Website: My name is Lori Tobin. My brother, Loren D. Tobin served on the Galveston in a Marine detachment(I think that is what you call it). He was gone while I was born so I know he was on the Galvaston is 64. I think he served from 62 to 66 or it could be 63 to 67. I know he was back home part of 67. He worked at the meat packing plant and broke horses and got married the year following his return. He was married in 68. I was wondering if your website would include the Marines that also served on the Galveston. I am in search of pictures or others that knew him while he on the Galveston. I have a letter somewhere from the commander at the time he was aboard. It was sent to my parents during the Christmas season. I have two pictures of him ... one they are playing football on some beach somewhere and another he is in his long sleeve tan shirt with the blue pants with a yellow braid over his chest; he is somewhere on the ship. My brother passed away in Nov. 1978 so I am trying to get some information for the nieces and nephews that never got a chance to know him. I know it is long shot but I had to try. Thank you. Lori Tobin (If you have any information about Marine Loren D. Tobin, send it to admin@ussgalveston.org and I'll forward it on to Lori. Note the picture here is from the 63/64 Cruise Book)</p>
